United States District Judge  
Southern District of New York

**Re: *United States v. Charles Maxwell*, 08 Cr. 561 (LAP)**

Dear Judge Preska:

The Government writes to request an adjournment of the status conference scheduled for August 2, 2022 at 11:00 a.m. in the above-referenced supervised release matter. Defense counsel consents to this request. There have been four prior requests for adjournment of this status conference.

Mr. Maxwell has a state court appearance on August 8, 2022 on charges that form the basis of the specifications in this case. In the meantime, Mr. Maxwell is being evaluated to determine whether he is eligible to participate in mental health programs, which may facilitate a disposition of the state charges. The Government respectfully requests that the status conference in this case be adjourned for 30 days, at which point the parties will have more insight into where the state cases are headed and can more meaningfully discuss a resolution of the specifications.

*The conference is  
adjourned to September 13  
at 10:00.*

Respectfully submitted,

DAMIAN WILLIAMS  
United States Attorney
